THURSTONLAND PARISH NEWS

Nov – Dec 2026

Greetings from The Vicarage

November is traditionally kept as a month for remembering. Of course, of first importance is the Remembrance Day itself when the nation and Commonwealth gather to honour those who give their lives in the service of peace. We honour not only the members of the Armed Forces, but recall those who send them out – parents, partners, friends who support, who are left behind. Remembering the cost of the Great wars, as well as conflicts since then, we commit ourselves to work and pray for peace here and now.

We celebrate All Souls Day, (November 2nd) remembering those who have died in the past year and giving thanks for all that they have been in our lives. The long evenings are a good time for getting out the old photographs, whether albums or screens, and recalling parties, holidays and other happy occasions which we have shared with friends and family who have now passed away. We all live as part of a community, a family, however well or poorly that functions. We give thanks for grandparents, and parents, siblings and wider family, and remember all that is good which they have instilled in us – resilience sometimes, joyfulness at others.

It is a time to remember that holding fast to the truth of the love of God has come, and sometimes still comes with a cost. On All Hallows E'en, and on November 1st, All Saints Day, we can give thanks for those who faithfully presented the message of grace and love in Jesus Christ sometimes at great personal cost. Human beings can be very cruel to each other, especially when they consider themselves to be in the right, and others to be wrong. We give thanks for people like St Francis, who worked for peace between Muslim and Christian, respecting the differences, people like St Cuthbert and other Celtic Saints who settled on the edge of villages, and became people of peace, people of God in a place.

In our lives together in the parish, in our schools, workplaces, market places and shops we do well to remember the cost of living peacefully, and recognise the imperative to understand one another before we condemn or judge another person. We do well to live with care for those who live differently from us, rather than aggravate or challenge.

Simon and I are grateful as we settle in Yorkshire with our strange accents, and not always understanding the local culture: you have made us welcome. Thank you.

Of course we are reminded, by the shops and decorations, that we are also looking forward to the Festive season, the demands and requirements of family traditions, and new ideas. I look forward to meeting many of you at the Christmas Market towards the end of the month, and in the month ahead as we remember the gift of God himself amongst us, at seasonal services through December.

I pray for you a blessed month, and happy remembering.

Thurstonland & Stocksmoor Village Diary
November & December 2026

Date	Event	Time
Sun 1 Nov	**All Saints Day** Family Service	 10am
Mon 2 Nov	Thurstonland Village Association meet in church	7pm

THURSTONLAND CRICKET CLUB

Another playing season has now made its way into the memory bank with the first team making its second successive last gasp escape from relegation. Winning six of our last nine games made this possible and so our place in the third section (out of seven) of the Huddersfield Premier Cricket League is secure for another year. Managing just two wins in the first half of the fixtures meant that we were playing catch up for much of the time but it was to the credit of the players that they never gave up and a combination of individual efforts and the usual team spirit led to the desired outcome.

Khwezi Nyamathe went home to South Africa with the club awards of the first team fielding prize and the prize for fielder of the year which is open to members of both senior teams. Points are awarded in each game to individuals for an outstanding achievement on that day and his wicket keeping was of the highest throughout the year making him a more than worthy recipient of the trophies.

A large number of players and their families attended the Junior Presentation Evening in early September. We are rebuilding this important section of the club starting with the Under 9s and Under 11s after numbers suddenly declined a couple of years ago. It has been rewarding to see the support given by new members of the club and Friday night practice sessions are full of cricket activity as well as giving the opportunity for family members to relax after the working week.

The female part of the club continued to thrive with both the senior Thundercats and the Under 15 and Under 13 groups fulfilling many fixtures in the local area and a little further afield for the hardball open age group who became members of a Women's Premier League. Softball cricket is also on offer and newcomers can be assured of a warm welcome whatever their level of experience. Enjoyment and friendship are important factors.

The beginning of October saw the senior teams enjoy their own end of season presentation evening and an excellent three course meal at Field Restaurant in Farnley Tyas. Club president Peter Holloway handed the awards to the winners. His association with the club goes back the best part of sixty years during which time he was groundsman for a lengthy period as well as carrying out many vital maintenance tasks around the ground. His record of service to the village club is a worthy example to others.

Andrew Pearson

HARVEST THANKSGIVING

Many thanks go to all who supported the church collection of items for the Welcome Centre at the Harvest Thanksgiving Service, for which they were very grateful. The School also held their Harvest Service in the church which was led by Sarah, and they also collected items for the Welcome Centre. The goods from both collections were delivered in one load and filled 2 large shopping trolleys! **THANK YOU!**

HERITAGE OPEN DAY

Many of you will remember that the church took part in the Kirklees Heritage Open Day event in September. This is the fourth time St Thomas' has taken part and it was a very successful event. The weather was not brilliant (but not as bad as last year!) but plenty of visitors did turn out, both local and from the wider Kirklees area and they found the church heritage and history very interesting. We learned lots ourselves too, and were able to display items, normally hidden away, for people to look at. The old marriage, baptism and burial records proved very popular.

The theme this year was "Everyday Histories" which enabled us to get information from various sources to complement our displays including the set of 6 bricks made in Thurstonland Brickworks kindly loaned by David Jones which were much admired and some pictures of the area in years gone by (again thanks to David Jones for raiding his archives.). We intend to repeat the exercise next year so who knows what we might unearth then – let's see what the theme is!

We must mention David Pitts who made and updates the banner displayed outside the church and to all the members of our congregation who provided and served refreshments and acted as guides over the weekend. **A huge thank you to you all.**

CHRISTMAS DISPLAY

This year we are hoping, once again, to have a display in church, but this year thought we would change things a little. We will shortly be contacting the various Community Groups to ask if they would like to take part. This year we are working on a theme of **"A White Christmas" and are asking groups or individuals of any age to provide us with stars, snowflakes, angel wings, snowmen, etc (in white or silver) to be displayed in church over the Christmas period until the New Year**. **They can be of any size and (particularly if they are on a tree) they can lit with battery operated lights if desired**. **They will be need to be delivered to church by Monday 23rd November please**, to be displayed at the Advent Service on 29thh November when the Travelling Crib (Posada) will be launched. We will be having a lit Christmas tree outside the church as in previous years. The lights on the Christmas trees inside and outside the church will be switched on at the service on 29h November. This will be a Family Service at 10am. **Please do take part in this event and come along and join in!**

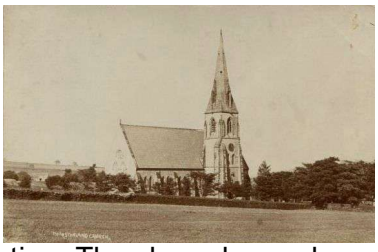

THURSTONLAND Village Association

Phone: 07989 650398
Email: thurstonlandva@gmail.com
Website: thurstonland.org.uk

The school postcard dates from around 1910, the church is dated 1926 and the cricket team is from 1895. Unfortunately there's no date on the Rose & Crown photograph, but it's not recent!

I've been collecting old village postcards and photographs for some time now and these are some of the earliest for each location. They have been chosen for a reason – these are the places in Thurstonland where you can actually meet people. Unfortunately, if you're not a parent or grandaparent of a child at school, you don't attend church, watch or play cricket and don't go to the pub, you tend not to meet fellow villagers. Luckily in the village we tend to talk to neighbours and in times of crisis like Covid this has proved really useful. However as the dark days of winter approach we tend to stay inside and batten down the hatches!

The monthly coffee mornings and community lunches in the church are vey popular, as are the community games mornings held every two weeks in the Cricket Club, but these are daytime events so those who work during the day cannot attend.

Thurstonland Village Association meets every two months at 7.00pm on the first Monday of the month at the Cricket Club and anyone in the village can come along. In between these meetings it's been decided to have less formal, not minuted get-togethers in the Church Room on alternate months where ideas for the future (and possible problems with the present!) can be discussed. Do we want more village trips? What can we do to improve the village? What opportunities might there be for get-togethers? Are there any guest speakers we would like to invite? Many of you will have answers and suggestions and we would welcome them at the meetings, so come along and share your thoughts!

Next TVA Meetings: **November 2nd 7.00pm at the Church Room**
December 7th 7.00pm at the Cricket Club

@ThurstonlandVillageAssociation

SUNDAY 8th NOVEMBER 2026

REMEMBRANCE DAY

BCP HOLY COMMUNION

9.30am

followed by the

REMEMBRANCE DAY SERVICE

10.20am

Procession to the war memorial for 11am when the British Legion and other Community Groups will lay their wreaths.

MOTHERS' UNION

As you are probably aware, since Jenni left as Branch Leader, a decision was made to make the group more of a social "friendship" group but maintaining the values of the Mothers' Union - with some structured meetings with speakers mixed in with social events. We have again decided to meet in the afternoons at 1.30pm from October to March. We are still finding our way forward with me acting as a contact for the group and Brenda taking care of the finances, with decisions being made by consensus of people at the meetings. Visitors are always welcome.

In September, the meeting was led by Lynda with members bringing a reminder of their childhood to discuss with others. The October meeting was kindly hosted by Hepworth MU group with the speaker being our very own Sarah, on the subject of her life in Uganda. At this point, we would like to thank the Hepworth group for all the support they have given us over the past 2 years (particularly Gloria who keeps me informed!). We are very grateful.

We are waiting confirmation of a speaker in November and we have no meeting in December. Our "Post Christmas Party" will be held on Weds 27th January 2027.

So, in the meantime, on behalf of the MU ladies, we hope you all have a very Happy and Joyful Christmas and a Peaceful New Year.

Best wishes Janet

St Thomas' Church

Christmas Coffee Morning

Sat 5th December 2026

10 am- 12 noon

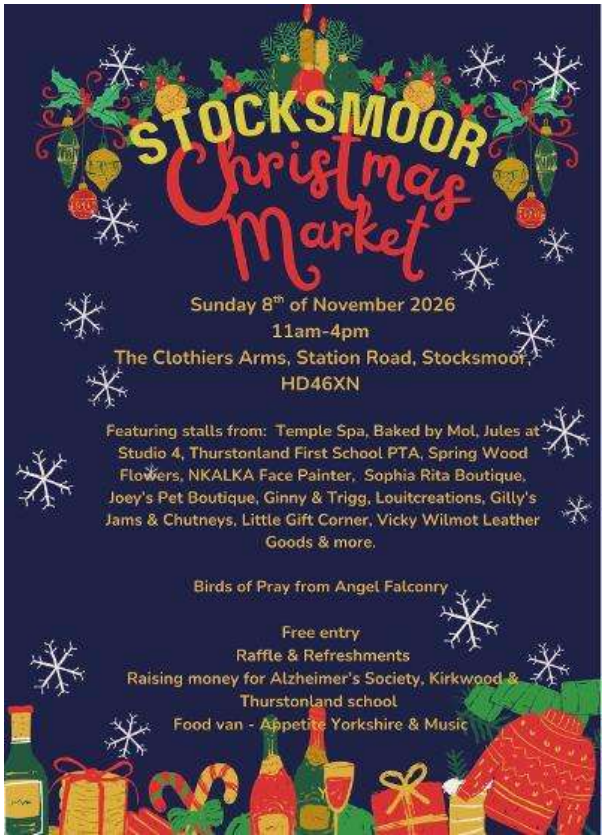

Come and join us for a taste of Christmas and see our lovely display of in Church!

Hamper Draw Tickets available - £1 each

All proceeds to church funds

Thank you for your support!

We wish you all a very HAPPY CHRISTMAS

COMMUNITY CARDS

The Community Cards Group who make all our used greetings cards into new ones and sell them to raise funds for the Welcome Centre, continue to meet in the church room on the afternoons of the 2nd & 4th Thursday in the month. They have a good selection of greetings available to purchase in the church room. Please contact Elaine on 664544 if you would like more information or are interested in joining the group.

Used greetings cards can be left in the box in the church porch for re-cycling but **please do not leave Christmas cards.**

STOCKSMOOR W I

Our next meetings at Stocksmoor Village Hall are:-
Weds 11th November – Annual Meeting and Support Dogs 2pm
Weds 9th December – Making a Resin Dip Holly Decoration 2pm

If anyone is interested in joining us, please come along as a guest to one of our meetings or contact Lynne Kershaw 07958217177 for further details. Visitors are always welcome

During December: Town Moor, the Green, East View

CHRISTMAS HAMPER DRAW

Needless to say we are raising funds for Church and are once again holding a Christmas Hamper Draw, with other smaller raffle prizes. With that in mind, we are asking for donations for the hamper, and other raffle prizes, so if you can help, please could you leave your donations in the boxes in the church room. If this is difficult, or if you would like more information, please ring Janet on 01484 663123 or 07710588275 or Lynda on 07742730591. Draw Tickets will be on sale soon. We are holding a **Christmas Coffee Morning on Sat 5th December 10am – 12noon** when draw tickets will be available to buy. The draw will take place after the Carol Service which is at 2pm on 20th December. All profits will go into general church funds to help with running costs and to the various renovation projects. Thank you!

Brass cleaning in December – Michelle Ellwood

COFFEE MORNINGS & COMMUNITY LUNCH CLUB

The coffee mornings continue to be popular on the first Thursday in the month. The next few dates are – Thursday 5th November (10.30am-12noon), a Christmas Special on **Saturday** 5th December (10am-12noon) and the first in the New Year will be Thursday 7th January 2027 (10.30am-12noon). We are always looking for more volunteers to host the coffee mornings so, if would like to help, please could you contact Janet on 01484 663123 or 07710588275.

The Community lunch club has remained popular and will continue on the last Friday of each month, the next being on Friday 27th November. The cost remains the same at £6 pp and places must be booked in advance due to the limited space available. **There will be no lunch in December, but as usual, there will be a Festive Afternoon Tea on Friday 11th December and details will be sent out soon.** If you would like to join us for lunch or join the inspiring group of ladies who provide the excellent food at the lunches and teas and without whose generosity we could not continue, we would welcome your support, so please speak to Janet. There will be no lunch in January.

A big thank you goes out to all those people who supported the collection for Macmillan Cancer Support at the September lunch and October coffee morning. We were able to make a donation of £146.

We would like to wish you all a very Happy Christmas and a peaceful New Year!

THE NEXT STEPS FOR ST T's

Phew! we thought, as the window was finally restored to its full glory.... but then! The clock stopped chiming and lost time, the roof tiles looked dodgy and the jackdaws continued to wreak havoc in the turret. Blimey!!
We were set to get the clock repaired as the funds were finally in place. The turret was cleared of jackdaw nests, etc., the openings netted to prevent them getting in again and a drone was sent up to look at the roof. We might finally get the changes to the church room, toilet and kitchen under way. Progress!

However, the problems caused by the Jackdaws proved to be much greater than we anticipated and our Architect took the decision that the turret should be locked with no access allowed until a structural engineer had inspected it after the Architect had issued his report (known as the Quinquennial Inspection (QI)). This meant that the clock could not be accessed for removal prior to repair.

The PCC have very recently received the QI report and it will be considered by them at their next meeting, after which a Plan of Action will be drawn up. We will, of course, be back on the trail of grant funding for all these projects but we will need your help. The first fundraising event was the Wine Tasting Evening held in October (see article) and then we will be selling tickets for a Christmas Hamper Draw. If you can help by donating goods for the hamper there will be a box in the church room and that would be fantastic – or just buy a ticket or two (or sell some) – you never know you might win the jackpot! More ideas will be forthcoming in the New Year – please let us know if you can help.

If you would prefer to make a monetary donation to support any of these projects specifically, the church bank details are below – please mention which project you are supporting and the money will be held in our restricted funds for that purpose only. If you can Gift Aid your donation that would also help, at no extra cost to you. Please do contact one of us for further information on how to do this.

The bank details are:-
HSBC Account name – St Thomas' Church, Thurstonland Account- no 81425234
Sort code 40-25-10

On behalf of all the members of the PCC, a huge thank you for all your support. We hope to see you in church over the Christmas period and wish you all a very Happy Christmas.

Best wishes Lynda (07742730591) & Janet (07710588275)

WINE TASTING EVENING AT STOCKSMOOR VILLAGE HALL

This was the first of our new round of fundraising events for the church and was held in the recently updated Stocksmoor Village Hall. Ticket sales were slow to start with but, on the evening 48 people joined us for the tasting. Sarah, our new vicar, was introduced and started the proceedings with a prayer. It was a lively evening, enjoyed by all those present and was certainly much warmer than our church room!! There were 5 wines to taste, supplied by Hoults of Huddersfield, a cheese, paté and baguette supper, a raffle, a silly game and a quiz (with prizes, and won by a team from the cricket club). A huge thanks go everyone who supported the event, to Joe, Sue, Emily & Howard for helping out before and during the evening, to David, Bill & Nick for taking on the roles of our wine experts and to all who helped clear up afterwards – a real team effort**. The evening raised over £300 for church funds – so thanks again! CHEERS!!**

TEAMS4U – CHRISTMAS SHOE BOXES

Hepworth Church has taken part in filling Christmas Shoe boxes for Teams4U (a registered charity) for several years and this year asked if Christ Church and St Thomas' would be interested too. We both took up the idea.

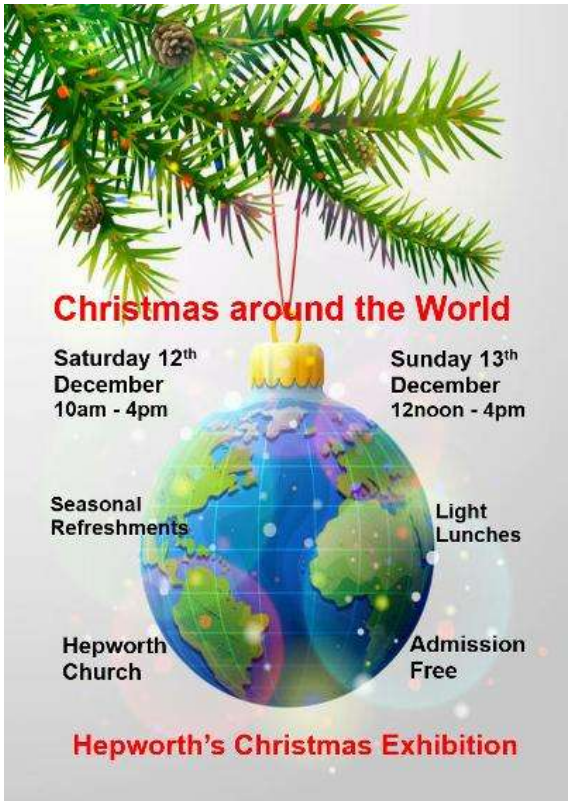

The boxes are filled with age appropriate items (guidance is given for what to include) or there is an option to do a Home box with useful items like soap, pegs, bowls, cups, candles etc. St Thomas' took 10 boxes and these will be returned to Hepworth at the end of October to be collected by Teams4U. The box can be personalised with a card, photo or message. The boxes are then distributed to poor communities in Eastern Europe.

Please see a photo below of a box that is ready to go for a girl aged 12+. Many thanks who all took part and sent a box.

For further details please contact Team4U at email: info@teams4u.com
